Water bills are mailed out around the 20TH of each month. The bill is due by the 5th of each month. If the 5th of the month falls on a weekend, the water bill will be due the next working day. PAST DUE bills will be mailed out the 6th of each month, or the second working day if the 5th falls on a weekend. A 10% penalty will be added to the past due total amount due. This amount is due no later than the 15th of each month. If the 15th falls on a weekend, the water bill will be due the next working day. If the water bill is not paid, service WILL be disconnected and you will be charged a \$45.00 reconnect fee before the service will be reconnected. If you call the AFTER HOUR number and decide to have your water service restored after 5:30 PM, you are agreeing that your account will be accessed an additional \$50.00 after-hour reconnect fee. This fee and account balance must be paid by 10:00 a.m. the following morning or service may be disconnected again and another reconnect fee of \$45.00 will be applied to the account.

Before a Certificate of Occupancy can be issued and utilities turned on to commercial property, it must pass a fire inspection by the Aubrey Fire Department. Please contact the fire department at 940-365-9785 to schedule an inspection. The fee for a Certificate of Occupancy inspection is \$100.00 due at the time of application.

Customers are required to maintain backflow prevention devices in good working order and are required to submit annual inspection and maintenance reports to the City.

The above information is true and correct to the best of my knowledge and I have read and understand the information printed above.

A permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced.

All permits require final inspection.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
